

STALLION SPOTLIGHT

JAYLIN BURSTON

**PLTW: BIOMEDICAL SCIENCES
OVERLEA HIGH SCHOOL C/O 2024**

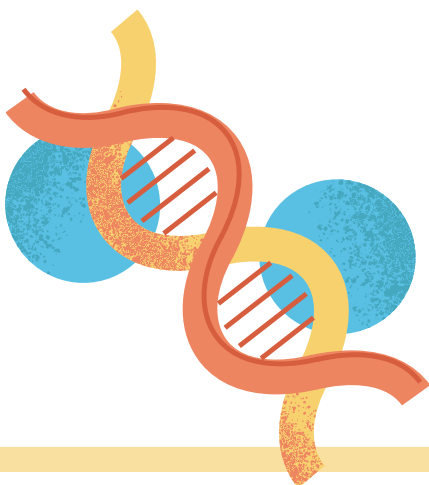

Advice: “Have fun but be sure to take in every experience. You won’t always know what you are doing and you need to realize the value and importance of your education.”

“This year’s classes, Medical Interventions and Biomedical Innovations, have been my favorite. I enjoyed the labs and I like taking classes I am interested in even before college.”

“I knew I wanted to attend Sollers and I was interested in the science field. For me Sollers has been life changing.”

**CAREER GOAL: ANESTHESIOLOGIST OR
GENERAL/DERMATOLOGICAL SURGEON**

“Try not to get influenced by distractions around you, be observant to see how others are affected before you make choices.”
