Tuesday, May 12, 2020

Good evening Sollers Point Technical families.

This is a friendly reminder that Sollers Point teachers will be conducting their weekly Wednesday Google Meet ups tomorrow morning and afternoon. Mr. D'Antonio will continue to hold his class meetings on Thursday. I want to thank all of our students who participated last week as our attendance reached an all-time high. Please continue to connect with us for these very important "LIVE" classroom sessions.

Families should have received a call and email from BCPS tonight regarding Google Meet enhanced security features. Students will no longer be able to voice dial into a meeting. The new protocol requires the teacher to voice call the student on their phone in order to allow them into the Google Meet video session. Students who use "voice only" to connect, should send their phone number to their teacher in order to receive an invite phone call at the time of your class.

BCPS released their "virtual" high school graduation schedule today. Sollers Point Tech does not conduct a graduation ceremony for students; however, we will hold a "virtual" senior recognition ceremony on Wednesday, June 10, 2020 at 6 p.m. The "virtual" ceremony will be pre-recorded, and a web link and student invitation will be sent by Mr. Plantholt, Mr. Harris, and Ms. Mardaga in the next couple weeks. Furthermore, Mr. Plantholt, Mr. Harris and Ms. Mardaga may be reaching out to some of our seniors for a photograph if we do not have a senior portrait from Lifetouch. As a reminder, we are only permitted to use cap and gown photographs if you do not have a senior portrait on file through Lifetouch.

Finally, seniors will receive caps and gowns in the next week from their respective home schools. Please continue to check our school website (http://sollerspoinths.bcps.org) for updates and remember to check Schoology for "SENIOR" messages from Mr. Plantholt, Mr. Harris and Ms. Mardaga.

Thank you for your patience and cooperation. Please be safe and well.

Principal Weglein
